RE: Reference

To Whom It May Concern:

We were referred to SeibertKeck Insurance by Ed Casey, Prism Network. The front end process was very thorough. Karl gathered pages of information, took a tour of our buildings, met with maintenance and other key staff and drafted a very detailed proposal. He was able to show us where we were "under insured" and where we might not need as much coverage.

His quotes saved us about \$40,000 in insurance costs from the previous year. SeibertKeck made it easy to switch coverage and they have been available for any and all questions that we have had since the transition.

We have not had any claims so I cannot speak to that experience, but I would not anticipate any difficulties. Switching insurance was an easy decision and the transition was seamless.

If you have any specific questions please do not hesitate to contact me at 330-762-5425.

Sincerely,

Karin Lopper Orr, LISW-S
